In re Patent No. 7,234,948

Issue Date: June 26, 2007

Application No. 10/734,789

Filed: December 12, 2003

Attorney Docket No. 5020-1-003

ON PETITION

This is a decision on the petition filed August 6, 2007, which is being treated as a petition under 37 CFR 3.81(b) to correct the address of the assignee on the front page of the above-identified patent by way of a certificate of correction.

The petition is **DISMISSED**.

Petitioner requests issuance of a certificate of correction with the address of "Gyeonggi-do."

37 CFR 3.81(b), effective June 25, 2004, reads:

After payment of the issue fee: Any request for issuance of an application in the name of the assignee submitted after the date of payment of the issue fee, and any request for a patent to be corrected to state the name of the assignee, must state that the assignment was submitted for recordation as set forth in § 3.11 before issuance of the patent, and must include a request for a certificate of correction under § 1.323 of this chapter (accompanied by the fee set forth in § 1.20(a) and the processing fee set forth in § 1.17(i) of this chapter [emphasis added]. See also MPEP 1481.01.

The requested address correction does not appear correct. The requested correction would appear to be for only part of the address yet it is presented in the certificate of correction and petition as the entire address which would be in error.
